**Information Technology Services Provider**

# Advanced Systems Design

## **NAICS CODES**

### **Computer Services:**

541511, 541512, 541519

### **Management Services:**

541611, 541618

**DUNS #** 03-130-4025

**CAGE CODE** ILVC3

## Services We Provide

### **1. Information Technology**

- a. Project Management
- b. Business Analysis
- c. Software Development/Programming
- d. Database Administration/Analysis
- e. Network Engineering

### **2. Custom Systems Design and Development Projects**

- a. Legacy mainframe programs
- b. PC/server applications
- c. Web-based software
- d. Server/network design and implementation
- e. Server/operating system migrations and upgrades
- f. Data and network security

### **3. Other IT Services**

- a. Customer support and help desk operations
- b. Technical training

### **4. Management Services**

- a. Program management
- b. Feasibility studies and data analysis
- c. Disaster recovery planning
- d. Business process reengineering
